

IOWA JUNIOR SCIENCE AND HUMANITIES SYMPOSIUM

February 25-26, 2010

STUDENT RESEARCH PRESENTER APPLICATION FORM

The student presenter application form includes two parts: 1) the biographical information section found below and 2) the research paper. The paper should include a discussion of the research problem being investigated with specific attention being directed to the research design, methodology, and results. If the research is not completed at the time you apply, please provide information regarding not only what you intend to do, but how this is to be accomplished and a plan of your anticipated progress. **The deadline for applying to be a presenter is January 1, 2010. The application and paper need to be in the office on January 1.**

Title of Student Research Project _____

Student Researcher's Name _____

Social Security Number _____ Age ____ Grade ____ Gender ____

Home Address _____ E-mail _____

City, State, Zip _____ Home Phone _____

Name of School _____ School Phone _____

School Address _____ School Fax _____

City, State, Zip _____

Science Teacher's Name _____

How did you become interested in this topic?

Who has given you help with this project? (Indicate name, title, and address).

How long have you worked on this research? _____

Is this research completed? _____ If no, indicate expected completion date _____
