Address information

Our mailing address:

250 Continuing Education Facility

Iowa City, IA 52242-0907

Our campus mail address :

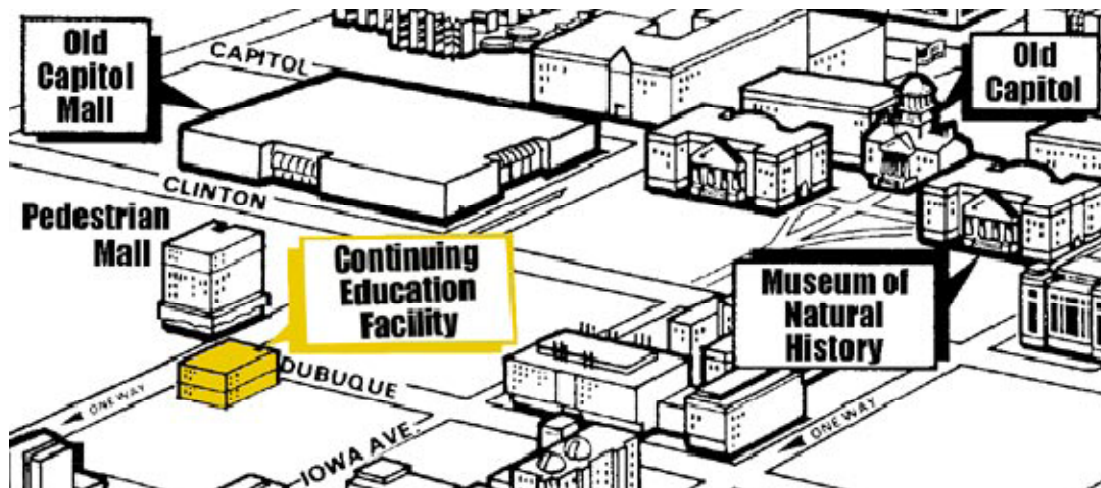

250 CEF

Our address for receiving outside shipments (i.e. UPS, FedEx, DHL):

30 S Dubuque St, 2nd Floor

Iowa City, IA 52240

(Do not use this as the U.S. mail address. Mail will be delayed or returned if this address is used.)

Entering the building

The street address for the Continuing Education Facility is 30 S. Dubuque St. Our offices are located on the second floor.

To reach our offices, enter the U.S. Bank building through the doors on the west, or Dubuque St. Just inside the entrance, to your immediate left, is an elevator. The elevator is the only way to reach the second floor. Visitors will not be allowed to reach our offices through the bank lobby or other entrances.

On the second floor, the elevator opens onto a hallway that jogs slightly to the left. Continue to the end of this hallway and enter the reception area through the door on your right.

Testing information

The Testing Center will be in room #201. Reach the second floor by following the directions under Entering the Building. At the point where the hallway jogs, turn right and go to the end of the hallway. Turn left, then right. The door to #201 will be to your right.

Arrange for testing in our new location by using the same telephone numbers (800-272-6430 or 319-335-2575) and procedures as in the past.

Parking

There will be no reserved parking for visitors to CEF. Visitors must find their own parking in one of the nearby city ramps or at parking meters.
