

## ROBERT F. RAY STAFF SCHOLARSHIP

---

### Description of Award

A scholarship fund has been established in honor of the late Robert F. Ray, former dean of The University of Iowa Division of Continuing Education. The Fund will provide support to University of Iowa staff members who wish to begin or continue their undergraduate education at The University of Iowa. The \$1500 scholarship will be awarded to cover the cost of valid educational expenses (tuition, fees, and books) over the course of one year. The recipients may choose the allocation of semester hours (i.e., students may use the entire scholarship in one semester or choose to spread it across the academic year).

### Criteria for Selection

- Applicant must be employed by The University of Iowa at least half-time, for not less than one year from the date of application, in a position classified as Office and Clerical, Service, Technical, or Professional and Scientific; and must remain employed during the period of the scholarship.
- This award can only be applied toward undergraduate coursework and must be reimbursed if you do not complete the course or drop prior to the deadline for tuition refund.
- While this award is not need-based, students must not be receiving tuition reimbursement or other grants (with the exception of staff tuition grants) in order to be considered. Students with loans, however, are still eligible.

### Application Procedures

Please complete application and mail to address below by **April 1**. Please submit transcript(s) of previous college work, if any. Official transcripts are required for transfer coursework from other institutions. Unofficial Grade Reports are acceptable for UI coursework.
